

Richard Partridge

Napa Valley
CABERNET SAUVIGNON
2006

WINEMAKING NOTES: The 2006 growing season was long and cool, which allowed for a long grape ripening period that fostered mature flavors and balanced tannins. Grapes were sourced from Stanton (55%/Oakville), Garvey (30%/St. Helena), and Hossfeld (15%/Napa) and aged in 100% French oak (70% new) for 22 months.

TASTING NOTES: Classic aromas and flavors of dark cherry, cassis and blackberry. The structure of the wine is solid and extracted, but the tannins finish sweet and silky. The wine is very well balanced, full of ripe, extracted fruit, and finishes with a long elegant texture.

OUR STORY: Founded in 1998, Richard Partridge Wines are a sincere reflection of the finest vineyards in the Napa Valley. With a focus on Cabernet Sauvignon and Chardonnay, each vineyard is selected for its unique personality and exceptional character.

WINE STATISTICS

Winemaker.....Jeff Fontanella
